

Dr. Stuart Gordon

Comprehensive Diagnostic Center (CDC) is currently scheduling with Dr. Stuart Gordon! A proud member of our team, Dr. Gordon has decades of experience in the Workers Compensation arena. He completed his undergrad program at Brown University and then medical school at Jefferson Medical College in Philadelphia Pennsylvania and is licensed in PA. Having done medical presentations across the country, this former college football player, current grandfather, husband and father to 3 children and 2 beagles, loves speaking most about being a certified Kansas City BBQ judge.

Please call CDC to schedule with Dr. Gordon or any of our other physicians! If you have any questions or need additional information, please contact our home office at 1-800-494-0321 or visit our web site at:

-  All physicians utilized by CDC have excellent track records in providing quality reports, depositions and testimony resulting in value-added outcomes
-  CDC offers a comprehensive overview letter to the physician prepared by a disability case manager upon request
-  A certified disability specialist/case manager is always available for consultation or assistance

CDC has over 25 years of experience as a national coordinator of Independent Medical Examinations. IMEs are effective tools for clarification of treatment needs, causality issues, work capabilities, establishing Maximum Medical Improvement (MMI), determining future claims exposure, setting reserves, establishing permanency and moving the claim toward resolution. These issues may be addressed in exams for Workers Comp, Auto Liability, General Liability, Short and Long-Term Disability, Fitness for Duty and FMLA. CDC provides IMEs for both plaintiff and defense cases.
