

Dr. Edward Armbruster

Comprehensive Diagnostic Center (CDC) is now exclusively scheduling for Dr. Edward Armbruster! A fantastic addition to our team, Dr. Armbruster comes with over a decade of experience as a medical expert in a variety of medical-legal matters. He earned his medical degree from the Philadelphia College of Osteopathic Medicine and completed his Residency training at the University of Medicine and Dentistry of New Jersey (UMDNJ), School of Osteopathic Medicine (currently Rowan University). Dr. Armbruster completed Fellowship training in Hand and Microvascular Surgery at UMDNJ New Jersey Medical School (currently Rutgers University). He is Board Certified in Orthopaedic Surgery and holds Certificates of Added Qualification (CAQ) in Surgery of the Hand and Orthopaedic Sports Medicine. He is licensed in both PA and NJ and works with CDC in both states.

Please call CDC to schedule with Dr. Armbruster or any of our other physicians! If you have any questions or need additional information, please contact our home office at 1-800-494-0321 or visit our web site at:

www.cdcime.com

-  All physicians utilized by CDC have excellent track records in providing quality reports, depositions and testimony resulting in value-added outcomes
-  CDC offers a comprehensive overview letter to the physician prepared by a disability case manager upon request
-  A certified disability specialist/case manager is always available for consultation or assistance

CDC has over 30 years of experience as a national coordinator of Independent Medical Examinations. IMEs are effective tools for clarification of treatment needs, causality issues, work capabilities, establishing Maximum Medical Improvement (MMI), determining future claims exposure, setting reserves, establishing permanency and moving the claim toward resolution. These issues may be addressed in exams for Workers Comp, Auto Liability, General Liability, Short and Long-Term Disability, Fitness for Duty and FMLA. CDC provides IMEs for both plaintiff and defense cases.

Going the Extra Mile to Coordinate and Deliver Quality Services:
