

David P. Hardeski, MD

Comprehensive Diagnostic Center (CDC) is now scheduling with Dr. David Hardeski, MD! David Hardeski, MD, is a board-certified orthopaedic surgeon serving patients at Mercer-Bucks Orthopaedics, with offices in Hamilton, and Lawrenceville, New Jersey, and Langhorne, Pennsylvania. Currently the Director of orthopedic trauma at St. Mary's Medical Center and the former Chief of Surgery at St Marys Medical Center as well as the Secretary/Treasurer at Mercer-Bucks Orthopaedics. He earned his master's degree in medical science while attending MCP Hahnemann University, now part of Drexel University College of Medicine in Philadelphia, Pennsylvania. Dr. Hardeski earned his medical degree from Drexel University College of Medicine and completed his residency training at Maimonides Medical Center in Brooklyn, New York. He completed his fellowship training at R Adams Cowley Shock Trauma Center in Baltimore, Maryland (regarded as one of the premier training centers for orthopaedic trauma in the world). He was active in clinical research throughout his training and has a number of publications, including a chapter on pediatric humerus fractures.

Please call CDC to schedule with Dr. Hardeski or any of our other providers! If you have any questions or need additional information, please contact our home office at 1-800-494-0321 or visit our web site:

www.cdcime.com

-  All physicians utilized by CDC have excellent track records in providing quality reports, depositions and testimony resulting in value-added outcomes
-  CDC offers a comprehensive overview letter to the physician prepared by a disability case manager upon request
-  A certified disability specialist/case manager is always available for consultation or assistance

CDC has over 30 years of experience as a national coordinator of Independent Medical Examinations. IMEs are effective tools for clarification of treatment needs, causality issues, work capabilities, establishing Maximum Medical Improvement (MMI), determining future claims exposure, setting reserves, establishing permanency and moving the claim toward resolution. These issues may be addressed in exams for Workers Comp, Auto Liability, General Liability, Short and Long-Term Disability, Fitness for Duty and FMLA. CDC provides IMEs for both plaintiff and defense cases.

Going the Extra Mile to Coordinate and Deliver Quality Services:

- ✓ Audio and Video Depositions
- ✓ Ergonomic Assessments
- ✓ Fitness for Duty Evaluations
- ✓ Functional Capacity Evaluations
- ✓ Diagnostic Studies (i.e. MRI, EMG/NCV)
- ✓ IREs, DREs, IMEs, DMEs, etc.
- ✓ FMLA 2nd Medical Opinions / Surgical Opinions
- ✓ Peer or Medical Record Reviews
- ✓ Permanency Evaluations
