

## Dr. Sidney Jacoby

Comprehensive Diagnostic Center is proud to welcome Dr. Sidney M. Jacoby, MD, a nationally recognized, board-certified orthopaedic surgeon with subspecialty certification in hand surgery, to our expert physician panel. Dr. Jacoby's practice is dedicated to the diagnosis and treatment of conditions affecting the hands, wrists, elbows, and upper extremities. He received his undergraduate degree from the University of Pennsylvania and earned his medical degree from Jefferson Medical College, followed by residency and fellowship training at Thomas Jefferson University and the Philadelphia Hand to Shoulder Center.

Currently serving as Professor of Orthopaedic Surgery at Thomas Jefferson University Hospital. He holds key roles on national committees for the American Society for Surgery of the Hand, American Association for Hand Surgery, and the Arthroscopy Association of North America. Widely published and invited speaker at numerous national and international conferences, Dr. Jacoby brings academic distinction and practical expertise to our network, further strengthening our commitment to delivering trusted, high-quality IMEs and expert evaluations for Workers' Compensation, Automotive, and Liability cases.

***Please call CDC to schedule with Dr. Jacoby or any of our other physicians! If you have any questions or need additional information, please contact our home office at 1-800-494-0321 or visit our web site at:***

 All physicians utilized by CDC have excellent track records in providing quality reports, depositions and testimony resulting in value-added outcomes

CDC has nearly 4 decades of experience as a national coordinator of Independent Medical Examinations. IMEs are effective tools for clarification of treatment needs, causality issues, work capabilities, establishing Maximum Medical Improvement (MMI), determining future claims exposure, setting reserves, establishing permanency and moving the claim toward resolution. These issues may be addressed in exams for Workers Comp, Auto Liability, General Liability, Short and Long-Term Disability, Fitness for Duty and FMLA. CDC provides IMEs for both plaintiff and defense cases.

**Going the Extra Mile to Coordinate and Deliver Quality Services:**

- ✓ Audio and Video Depositions
- ✓ Fitness for Duty Evaluations
- ✓ IREs, DREs, IMEs, DMEs, etc.
- ✓ FMLA 2nd Medical Opinions / Surgical Opinions
- ✓ Peer or Medical Record Reviews
- ✓ Permanency Evaluations
