- ✎ All physicians utilized by CDC have excellent track records in providing quality reports, depositions and testimony resulting in value-added outcomes
- ✎ CDC offers a comprehensive overview letter to the physician prepared by a disability case manager upon request

For nearly 40 years, Comprehensive Diagnostic Center (CDC) has been The National Choice for Independent Medical Evaluations (IMEs), empowering attorneys, adjusters, and employers with clear, impartial medical insights. Our board-certified physicians deliver precise evaluations for Workers' Compensation, Auto Liability, Disability, and more, addressing causality, treatment needs, and claim resolution with reliable reports. With seamless 24/7 scheduling and a nationwide network, CDC streamlines the process for both plaintiff and defense cases, ensuring efficiency and trusted results.
