

Thomas K. Bills, M.D. PhD.

Comprehensive Diagnostic Center is thrilled to announce that we are now scheduling appointments with Dr. Thomas K. Bills, MD, PhD, a board-certified orthopaedic surgeon specializing in general orthopaedics and osteoporosis. As one of the founders of Mercer-Bucks Orthopaedics, Dr. Bills practices in Hamilton, Lawrenceville, NJ, and Langhorne, PA. Growing up in Trenton, NJ, he earned his bachelor's degree in biology from Syracuse University before completing his MD and PhD in pharmacology at Thomas Jefferson University.

Dr. Bills has received advanced training in pediatric orthopaedics, trauma, joint replacement, osteoporosis, and bone tumors at prestigious institutions, including Children's Hospital of Philadelphia and Memorial Sloan Kettering Cancer Center. He is an active staff member at Capital Health Systems and Robert Wood Johnson University Hospital and serves as a visiting scientist at The Hospital for Special Surgery in New York City. A recognized Certified Fracture Liaison and member of several professional organizations, including the National Osteoporosis Foundation, Dr. Bills is committed to advancing care in orthopaedics and osteoporosis. We are excited to have Dr. Bills on our team and look forward to the exceptional care he will provide to our patients!

Please call CDC to schedule with Dr. Bills or any of our other providers! If you have any questions or need additional information, please contact our home office at 1-800-494-0321 or email us 24/7 at:
