CDC has over 4 decades of experience as a national coordinator of Independent Medical Examinations. IMEs are effective tools for clarification of treatment needs, causality issues, work capabilities, establishing Maximum Medical Improvement (MMI), determining future claims exposure, setting reserves, establishing permanency and moving the claim toward resolution. These issues may be addressed in exams for Workers Comp, Auto Liability, General Liability, Short and Long-Term Disability, Fitness for Duty and FMLA. CDC provides IMEs for both plaintiff and defense cases.

### **Going the Extra Mile to Coordinate and Deliver Quality Services:**
